Section 4.5 or increasing the Annual Assessment by more than the amount specified in Section 4.4.

(2) Special assessments for capital improvements to the Landscaped Areas, the Screening Walls and the Private Recreation Center such assessments to be fixer', established and collected from time to time as hereafter provided; and,

(3) Individual special assessments levied against individual Owners to reimburse the Association for extra costs for maintenance and repairs caused by the willful or negligent acts of the individual Owner, his family, agents, guests and invitees, such assessments to be fixed, established and collected from time to time as hereinafter provided,

The regular annual assessments thus collected by the Association shall constitute the maintenance fund of the Association. The annual, special capital and special individual assessments, together with such interest thereon and costs of collection thereof as hereinafter provided, shall be a charge on the Properties and shall be a continuing contractual lien upon each Lot against which each such assessment is made. Each such assessment together with such interest thereon is a personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The annual assessments shall be payable in semi-annual installments.

**Section 3.2 Purpose of Assessments.** The assessments levied by the Association shall be used for the purpose (i) paying the cost of labor, equipment (including the expense of leasing any equipment and materials required therefor), and management and supervision of the Landscaped Areas, the Screening Walls and the Private Recreation Center (ii) carrying out the duties of the Board of Directors of the Association as set forth in Article V hereof and (iii) and for carrying out the purposes of the Association as stated in its Articles of Incorporation.

**Section 3.3 Basis and Amount of Annual Assessments.** Each year, the Board of Directors may set the amount of the maximum annual assessment for the following year for each Lot, provided that the maximum annual assessment may not be increased more than ten percent (10%) above

the annual assessment for the previous year without a vote of the membership taken in accordance with the provisions of Section 3.3 hereof.

**Section 3.4 Special Assessments for Capital Improvements.** In addition to the annual Assessments authorized by Section 3.1 hereof, the Association may levy in any assessment year a special assessment, applicable to that year only, for the purpose of defraying, in whole or in part, the costs of any construction or reconstruction, unexpected repair or replacement of a described capital improvement upon the Landscaped Areas, the Screening Walls or the Private Recreation Center including the necessary fixtures and personal property related thereto, provided that any such assessment shall have the affirmative approval of the Association's members, as provided in Section 2.3 hereof.

**Section 3.5 Uniform Assessments.** Except as provided in Section 4.4 hereof, both annual and special assessments (excepting there from special individual assessments) must be fixed at a uniform rate for all Lots.

**Section 3.6 Date of Commencement of Assessment Due Dates.** The annual assessments provided for herein commenced as to all Lots on the first day of the year beginning with January 1, 1998 in the amount of **FIVE HUNDRED DOLLARS (\$500.00)** annually. January 2017 annual dues were increased 10% to **FIVE HUNDRED AND FIFTY DOLLARS (\$550.00)**, and shall continue to be payable in two installments of \$275 each, the first installment being due on or before January 31st of each year and the second installment being due on July 31st of each year.

**Section 3.7 Duties of the Board of Directors with Respect to Assessments.**

(a) The Board of Directors of the Association shall fix the amount of the assessment against each Lot at least thirty (30) days in advance of each annual assessment period and shall, at that time, prepare a roster of the Lots and assessments applicable thereto which shall be kept in the office of the Association and shall be open to inspection by any Owner.

(b) Written notice of the assessment shall thereupon be delivered, emailed, or mailed to every Owner subject thereto.

(c) The Board of Directors shall upon demand at any time furnish to any Owner liable for said assessment a certificate in writing signed by an officer or agent of the association, setting forth whether said assessment has been paid. Such certificate shall be conclusive evidence of payment of any assessment herein stated to have been paid. A reasonable charge may be made by the Board of Directors for the issuance of such certificates.

**Section 3.8 Contractual Lien to Secure Charges and Assessments.** All regular and special maintenance charges or assessments, as herein above provided for, shall constitute and be secured by a separate and valid and subsisting contractual lien, hereby created, fixed and reserved by Declarant, which shall exist upon and against each Lot and all improvements thereon, for the benefit of the Association of which the Owner of each such Lot shall be deemed a Member. Subject to the condition that the Association be made a party to any court proceeding to enforce any lien hereinafter deemed to be superior, the lien hereby created shall be subordinate and inferior to:

(a) all liens for taxes or special assessments levied by the city, county and state governments, or any political subdivision or special district thereof, and,

(b) all liens securing amounts due or to become due under any mortgage, vendor's lien, or deed of trust filed for record prior to the date payment of any such charges or assessments becomes due and payable; and,

(c) all liens, including, but not limited to, vendor's liens, deeds of trust and other security instruments, which secure any loan made by any lender to an Owner (i) for any part of the purchase price of any Lot when the same is purchased from a builder or any Owner, or (ii) for any part of the cost of constructing, repairing, adding to or remodeling the residence and appurtenances situated on any Lot to be utilized for residential purposes.

Notwithstanding any other provision hereof to the contrary, the lien to secure the payment of assessments and any other lien or other charges becoming payable on or after the date of recordation of the first mortgage or deed of trust on any Lot, or any fees, late charges, fines or interest that may be levied by the Association in connection with unpaid assessments shall be subordinated to the lien or equivalent security interest of any first lien mortgage or deed of trust on any Lot. Any foreclosure of any such superior lien under the power of sale of any mortgage, deed of trust or other security instrument, or through court proceeding in which the Association has been made a party, shall extinguish the liens securing maintenance charges or assessments which became due and payable prior to such foreclosure date, but no such foreclosure shall free any Lot from the liens securing assessments thereafter becoming due and payable, nor shall the liability of any Member personally obligated to pay maintenance charges or assessments which become due prior to such foreclosure be extinguished by any foreclosure, nor shall the lien for future assessments or charges be affected in any manner. Any such maintenance charges or assessments which are extinguished pursuant to the foregoing provision shall be reallocated and assessed to all Lots as a common expense.

**Section 3.9 Effect of Nonpayment of Assessment.** If any regular or special charge or assessment is not paid within thirty (30) days from the due date thereof: the same shall bear interest from the due date until paid at the highest non-usurious rate allowed under the laws of the State of Texas, or other applicable law, or if no such limitation is imposed then at the rate of eighteen percent (18%) per annum, and if placed in the hands of an attorney for collection or if collected through probate or other judicial proceedings, there shall be paid to the Association an additional reasonable amount, but not less than seventy-five percent (75%) of the amount owing, as attorney's fees.

**Section 3.10 Collection and Enforcement.** If an Owner has become delinquent in their payment of the assessment, the Board of Directors shall enter into a payment plan with said Owner to pay said assessment. Such a plan's details shall be set at the direction of the Board of Directors, and shall be at least three (3) months long but shall not be longer than twelve (12) months in length. Should the Owner then be unable or fail to comply with said payment plan, then the Association shall have a contractual lien on each Lot against the Owner of said Lot, securing payment of any regular or special charge or assessment, together with interest thereon as provided herein. The Board of Directors may also recover reasonable attorney's fees incurred in the collection of same and the enforcement of said lien, so long as the Board of Directors has either (1) not hired a third-party collection agency, or (2) has hired an agency who has either

charged the Board of Directors an hourly rate or a flat rate for their collection efforts against the Owner. The Board of Directors shall take such action as it deems necessary to collect assessments and may settle and compromise the same if it is in the best interest of the Association. Such liens shall be effective as and in the manner provided for herein and shall have the priorities established in the covenants, conditions and restrictions contained herein. The Board of Directors may bring an action at law against any Owner personally obligated to pay an assessment or foreclose the lien against such Owner's Lot, or both, and interest, costs and reasonable attorney's fees of any such action shall be added to the amount of such assessment. Each Owner, by his acceptance of a deed to a Lot, hereby expressly vests in the Board of Directors of the Association or its agent the right and power to bring all actions against such Owner personally for the collection of such assessments as a debt and to enforce the aforesaid lien by all methods available for the enforcement of such liens, including, but not limited to, non-judicial foreclosure pursuant to Texas Property Code Section 51.002 in force and effect on the date of this Declaration, or in accordance with the prescribed manner for foreclosure of deed of trust liens provided by any future amendment to such Section 51.002 or any other statute or article enacted in substitution therefore, and such Owner hereby expressly grants to the Board of Directors a power of sale in connection with said lien so long as the Board of Directors complies with the notice requirements in Texas law. The Board of Directors shall designate a trustee to post the required notices as provided by law and conduct such foreclosure sale. The lien provided for in this Section shall be in favor of the Association and shall be for the common benefit of all Owners and shall have the same effect as though each Owner had expressly granted a contractual lien as well as a security interest in said lot to secure the payment of the assessments provided for herein. In addition to such notices as required by the aforesaid statute, the trustee designated by the Board of Directors shall mail to the Owner or Owners, and mortgagee of a Lot for which the assessment has not been paid, a copy of the notice of sale at or before the time of posting same by U.S. Postal Service, postage prepaid, certified, return receipt requested, at the Lot or such other address as the Board of Directors has been advised in writing for receipt of notices under this Declaration. At any foreclosure, judicial or non-judicial, the Association shall be entitled to bid up to the amount of its lien, together with costs and attorney's fees, and to apply as a cash credit against its bid all sums due the Association covered by the lien foreclosed. From and after any such foreclosure, the former Owner or Owners, their heirs and assigns, shall forthwith upon the making of such sale surrender and deliver possession of the property so sold to the purchaser at such sale, and in the event of their failure to surrender possession of said property upon demand, the purchaser, his heirs or assigns, shall be entitled to institute and maintain an action for forcible detainer of said property in the Justice of the Peace Court in the Justice Precinct in which such Lot, or any part hereof is situated. The Board of Directors in any event is hereby authorized to appoint a substitute trustee, or a successor trustee, to act in the place of the trustee who posted the original notices without any formality other than the designation in writing of a substitute or successor trustee; and the authority hereby conferred by the Board of Directors shall extend the appointment of other successor and substitute trustees successively until the delinquent assessment or assessments have been paid in full, or until said property is sold, and each substitute and successor trustee shall succeed to all the rights and powers of the original trustee appointed by the Board of Directors or its agents. In addition to all other remedies, the Board of Directors shall have the right to accelerate and demand payment of all assessments for the balance of the then current year upon ten (10) days written notice.

**Section 3.11 Omission of Assessments.** The omission of the Board of Directors, before the expiration of any year, to fix the assessments hereunder for that or the next year, shall not be deemed a waiver or modification in any respect of the provisions of the declaration, or a release of any Owner from the obligation to pay the assessments, or any installment thereof for that or any subsequent year, but the assessment fixed for the preceding year shall continue until a new assessment is filed.

**Section 3.12 Capital Assessments.** Should the Board of Directors determine the need to levy a special assessment and such special assessment receives approval of the Members as required herein, then such special capital assessment shall be a charge against each Owner and his Lot. Such charge shall be assessed equally to each Owner according to the number of Lots owned by such Owner. Upon collection, such special assessment shall be placed in a separate account segregated from other funds of the Association and designated for the specific purposes set forth in the resolution or other document evidencing the approval of such special assessment.

#### **ARTICLE IV GENERAL POWERS OF THE BOARD OF DIRECTORS**

**Section 4.1 Powers and Duties.** The Board of Directors, for the benefit of the Property and the Owners, shall provide, and shall pay for out of the maintenance fund provided for in Section 4 of Article IV above, the following:

protection of the Association or for the enforcement of this Declaration. The Board of Directors shall have the following additional rights, powers and duties:

(i) To enter into contracts, maintain one or more bank accounts, and, generally, to have all the powers necessary or incidental to the operation and management of the Association, expressly including the power to enter into management and maintenance contracts.

In the event that any Owner shall fail to maintain and repair his Lot and such improvements as required hereunder, the Association, in addition to all other remedies available to it hereunder or by law, and without waiving any of said alternative remedies, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the exterior of the buildings and any other improvements erected thereon; and each Owner (by acceptance of a deed for his Lot) hereby covenants and agrees to repay to the Association the cost thereof immediately upon demand, and the failure of any such Owner to pay the same shall carry with it the same consequences as the failure to pay any assessment hereunder when due.

**Section 4.4 Maintenance Contracts.** The Board of Directors, on behalf of the Association, shall have full power and authority to contract with any Owner for the performance by the Association of services which the Board of Directors is not otherwise required to perform pursuant to the terms hereof (including, but not limited to, the maintenance and repair of fences owned by any such Owner), such contracts to be upon such terms and conditions and for such consideration as the Board of Directors may deem proper, advisable and to the best interest of the Association.

Upon the failure of any Owner to maintain a Lot in a neat and attractive manner, the Association may, at its option, perform such maintenance on such Lot and, upon presentation of an itemized statement of the cost of such maintenance, the Owner of such Lot shall be obligated to reimburse the Association for the cost of such maintenance. This provision, however, shall in no manner be construed to create a lien of any kind in favor of any party on any Lot for the cost of such maintenance.

**Section 7.2 Easements.** Easements for installation, maintenance, repair and removal of utilities (including, but not limited to sewer, water, telephone, power, gas, street lighting and television

Declarant had the right to grant easements for such purposes over, under and across the Lots. Full rights of ingress and egress shall be had by Declarant and its successors and assigns at all times over the Lots for the installation, operation, maintenance, repair or removal of any utility together with the right to remove any obstruction that may be placed in such easement. **Section 7.3 Ingress and Egress by the Association.** Full rights of ingress and egress shall belong to the Association at all times over and upon each Lot for the maintenance and repair of each Lot in accordance with the provisions hereof and for the carrying out by the Association of its functions, duties and obligations hereunder; provided, that any such entry by the Association upon any Lot shall be made with a minimum of inconvenience to the Owner as is practical, and any damage caused shall be repaired by the Association at its expense. Section 7.4 Enforcement. Enforcement of these covenants and restrictions shall be by any proceeding at law or in equity against any person or persons violating or attempting to violate them, or to recover damages, or to enforce any lien created by these covenants; and failure by the Association or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

**Section 7.5 Amendment.** Except as provided in Section 2.3 hereof: the covenants, conditions and restrictions of this declaration may not be abolished, amended or changed, in whole or in part.

**Section 7.6 Mortgages.** It is expressly provided that the breach of any of the conditions, covenants, restrictions or agreements contained herein, or of any reentry by reason of such breach shall not defeat or render invalid the lien of any mortgage or deed of trust, made in good faith and for value, as to the premises, or any part thereof: encumbered by such mortgage or deed of trust, but said conditions, covenants, restrictions and agreements shall be binding thereto as required by foreclosure, trustee's sales, or otherwise, as to any breach occurring after such acquirement of title.

**Section 7.7 Severability.** If any condition, covenant, restriction or agreement herein contained shall be invalid, which invalidity shall not be presumed until the same is determined by the judgment or order of a court of competent jurisdiction. Such invalidity shall in no way effect any other condition, covenant, restriction or agreement contained herein, each of which shall remain in full force and effect.

**Section 7.8 Binding Effect.** Each of the conditions, covenants, restrictions and agreements herein contained is made for the mutual benefit of (and is binding upon) each and every person

acquiring any Lot or other part of the Property, since it is intended that the Subdivision shall be developed for residential purposes only, it being further understood that such conditions, covenants, restrictions and agreements are not for the benefit of the owner of any land except land in the Subdivision. This declaration, when executed, shall be filed of record in the Deed Records of Denton County, Texas, so that each and every- owner or purchaser of any portion of the Property is on notice of the conditions, covenants, restrictions and agreements herein contained.

**Section 7.9 Duration.** The covenants, conditions and restrictions of this declaration shall run with and bind the land and shall inure to the benefit of and be enforceable by the Association and the Owner of any land subject to this declaration, their respective legal representatives, heirs, successors, and assigns, for a term of twenty (20) years from the date that this declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years unless an instrument signed by the Members entitled to cast seventy-five percent (75%) of the votes of the Association has been recorded, agreeing to abolish said covenants, conditions and restrictions in whole or in part. Provided, however, that no such agreement to change the covenants, conditions or restrictions shall be effective unless made and recorded ninety (90) days in advance of the effective date of such change.
